Report
Guest Lecture on “Exposure and Approach of Statistics in Private Sector”

Date- 4th February 2022

Venue-Online

Speaker- Ritu Khatri, Senior Data Analyst, Builder A.I, Gurugram

Beneficiaries-43

On the occasion of Azadi ka Amrit Mahotsav, a guest lecture was organized on 4th February 2022 for UG and PG students of statistics. It started with the welcome address given by one of the students of department. She acquainted students about the scope of statistics along with the need for and importance of data analyst in private sector. She elucidated the importance and use of statistics in fields like retail, media, entertainment, sports, travel industry, etc. by giving appropriate examples.

She discussed about the key steps required to crack the interview and secure the job in any of the companies. She made us understand the importance of learning either of the coding language like R, python, or visualization tools.

The session was very interactive and informative in nature, and the students were highly motivated.

It ended with the thank you note which was conveyed via the student and head of the department both.
