

Swachhata Pakhwada

01/08/2021 to 15/08/2021

NSS volunteers of IIS (deemed to be university) in order to celebrate Swachhata Pakhwada conducted many activities such as Community cleaning, dustbin making and distribution, discarding E-waste and making something useful out of E-waste, E-poster and slogans on swachhata etc. were undertaken from 1st August to 15th August, 2021. In community cleaning activity, volunteers have chosen a place in their community and tried to clean it with a motive to keep their nearby areas clean. All NSS volunteers very enthusiastically participated in community cleaning activity. In another activity of dustbin making, the volunteers made dustbins of blue and green color from waste items available at their home like carton, plastic containers, etc. The NSS volunteers have also gifted these dustbins to different shopkeepers in their nearby areas along with spreading message of swachhata everywhere. Many volunteers discarded E-waste and few of them showed their creativity y making useful tings from E-waste.
