

Each One...Care One - Tree Plantation Drive

Date: July 1,2021

The NSS unit of the IIS (Deemed to be University), Jaipur in collaboration with Rotary Club, Jaipur Gurukul organised a “Tree Plantation and distribution Drive”. Native plants like Neen and Jetropha were planted and distributed to the faculty members. The faculty members were made aware about the medicinal properties like antimicrobial, anti-cancer and anti-HIV properties of these native plants. All the faculty members took the pledge of taking care of these saplings till they grow into a tree. A total of 19 faculty members participated in this activity.
