ABOUT IIS (deemed to be Univeristy)

IIS (deemed to be University) is a cosmopolitan and vibrant deemed-to-be-a-university and is amongst the first thirty eight universities in India placed under category '1' by the Ministry of Human Resource Development, Government of India. It is known for excellence in imparting meaningful education to students and to encourage them to think innovatively. It particularly focuses on empowering women to face the challenges of life with confidence and also provide creative leadership in the times to come.

IIS (deemed to be University) CIVIL SERVICES CLASSES

'Not many have the strength to give wings to their dreams, But those who do, reach peaks of success that others are unable to.'

If your dream is to be in the Civil Services we at IIS (deemed to be University) will make your dream come true!

"IIS (deemed to be University) is defined by its success. The learning and success of our students has always been and will always be the benchmark for all that we do."

-Dr. Ashok Gupta

Vice-Chancellor, IIS (deemed to be University), Jaipur

The Civil Services is the most sought after career in the country. After all where else would one get the power to really get an opportunity to improve the lives of thousands of people and be able to bring about a change in society? Civil servants are truly the lifeline of the government. They are the policy makers for the welfare of society.

Civil Services include the State and Central government offices. The civil services exams are among the most competitive in the country.

MISSION

Our mission is to help candidates to acquire confidence and competence to emerge successful. We at the IISU strive to make sure that your IAS/RAS preparation culminates in attaining your goal. Civil Services examination is a huge task and looking at the tough competition, actual preparation for the examination should start in the very first year of college, so that by the time you graduate you are fully confident and absolutely ready to take your first attempt.

TEACHING METHODOLOGY

The teaching aims at an in depth knowledge required for Civil Service examinations along with analytical skills and linguistic competence.

Students are given individual attention to clear their doubts. They are encouraged to participate in classroom discussions and brain-storming sessions, a perfect blend of classroom lectures and practical training.

The teaching faculty is among the best in the country. Each teacher is outstanding and the master of his/her subject. This team will guide you step by step to your success.

Guest lectures by senior bureaucrats and eminent scholars are arranged from time to time during the course.

As the Civil Service examinations require extensive reading our study material incorporates it all.

Time is precious! We make every moment count!

“Whatever I have achieved till date is because of IIS (deemed to be University). It was always my dream to be an IAS..... And ICG helped me to realize it.... its most supporting faculty and infrastructure... vibrant educational environment and wide range of curricular activities helped me to become a complete individual.”

PADMINI SOLANKI
IAS 2017

“ICG brought out the best in me and made me realize my potential. An extremely friendly and loving attitude of my teachers, who never refused their personal attention to me, was highly beneficial. The invigorating on-campus environment- full of extracurricular activities with an equal stress on academics instilled in me a lot of confidence and prepared me well for facing big challenges ahead. It taught me to “Never Break Rules but to Make my Own.”
